If I type this information in my browser window, it goes direct to the Aerojet page. Is the issue just with clicking the link?

Looks great except the link needs to be published as Art Toy of EPA advised:
<https://www.epa.gov/superfund/aerojet>

If people type or cut and paste the address as listed in the newspaper notification they'll get "page does not exist."

Thanks,
Lynn

Suggested minor revision to the time/date line – in track changes. For your consideration.

Hi Jackie – Per your request, AR is prepared to publish the attached notification in the Sacramento Bee EDH/Folsom edition and the Folsom Telegraph. Please review, edit and return to me by the end of the week. Thanks, Chris
